

1-4-93
12.3.8 v.6

ASH GROVE CEMENT COMPANY

Overland Park, Kansas

FILE

MEMO : HANS STEUCH
FROM : Bob Vantuyl
SUBJECT : Hazardous Waste
DATE : January 4, 1993

I have developed the attached guidance for Ash Grove East affiliates that do not have interim status. I believe it will simplify problems that can occur with reference to accountability of hazardous waste generation rates.

I thought it may be something you might want to consider implementing. Constructive criticism is always welcome.
